A Five-Star Retreat Awaits in Vermont

If you're looking for a very VIP vacay, check into Twin Farms, an all-inclusive Relais & Châteaux property in Barnard, Vt. Once there you can enjoy your in-suite fireplace, a spa treatment or an alfresco s'mores-roasting sesh. There's also a new cooking suite where guests are treated to an interactive dinner and wine pairing, and a cooking school where executive chef Nathan Rich will show you his tips and tricks himself!
