glorious GETAWAYS

FROM EXPLORING ITALY'S HISTORIC SCENERY AND L.A.'S SUNNY STREETS TO EMBARKING ON ADVENTURES IN GUATEMALA, WE'VE GOT A HONEYMOON TO SUIT YOUR TRAVEL STYLE.

EURO ESCAPE

Italy

Known for the best pasta, pizza and gelato you'll probably ever taste, Italy is a honeymoon hot spot for its delicious foods (and more). From sipping wine under the Tuscan sun to touring some of the world's best art galleries, experience the best of both worlds in Italy: city life and country charm. Must-sees on our itinerary: Rome, Florence, Venice, Tuscany and Sorrento.

Start your visit in Rome by visiting famous historical sites: the Trevi Fountain, Colosseum, Pantheon, Vatican City and Palatine Hill (save yourself the lineup by booking a tour with Through Eternity guide service). Exploration of the city is best done via foot so you can wander through its cobblestoned and historic nooks.

HOT HONEYMOONS

BARNARD, VERMONT

The Green Mountain State is one of our favourite romantic spots. The state is brimming with quaint New England-style towns, charming inns and luxury resorts, which are tucked away on winding country roads for the ultimate private honeymoon escape.

One of the most renowned and exclusive properties is **Twin Farms**—it's so hidden from the country roadway it's located on, you will probably drive by the gates a few times before finding it. But once you do, you won't want to leave the sprawling 300-acre **Relais & Châteaux** property. There are only 20 accommodations at Twin Farms between the Cottages, The Farmhouse at Copper Hill, The Lodge and the main house. We recommend one of the plush cottages for your honeymoon, each equally incredible and different in design, featuring everything from modern and sexy to Moroccan elegance. The entire property boasts an incredible art collection with works by masters like Roy Lichtenstein, David Hockney, Frank Stella and Milton Avery.

Twin Farms is all-inclusive, so everything from incredible meals and drinks to activities and tipping is covered in your stay rate—you won't have to think about a thing except relaxing and indulging in an unforgettable honeymoon. —Alison McGill
