Our members found the following three retreats to be the most romantic.

TWIN FARMS

Barnard, Vermont

The Aviary cottage hot tub at Twin Farms

At Twin Farms, a retreat set on 300 lush acres in central Vermont, the 10 private cottages are the most romantic accommodations. Book the Aviary to luxuriate in a natural stone hot tub facing a fireplace. Or opt for the Studio if you prefer your whirlpool al fresco. The property may be adults-only, but that doesn't mean you can't discover your inner child while sledding or ice skating. Afterward, warm up with your partner in the *furo* (Japanese soaking tub). The Twin Farms team can also curate one-of-a-kind experiences such as a sunset paddle across Copper Pond, or a rendezvous in the private wine cellar.
