Twin Farms Dog Policy and Agreement

We look forward to welcoming you along with your lovely dog to Twin Farms. For the comfort and wellbeing of all, we ask that you recognize that there are several factors to consider and adhere to when traveling to Twin Farms with your dog.

- To be welcomed to Twin Farms, all dogs visiting, must be well behaved, fully housebroken, and leashed when out and about enjoying the farm.
- We have a two-dog maximum per dog-friendly accommodation, with a weight limit of 100lbs per dog.
- If you will be traveling with a dog, Twin Farms does strictly require the reservation of a dog-friendly accommodation.
- Should you arrive with a dog, without advance notice, we will happily see if there is a dog friendly accommodation available; any difference in room rates as well as the daily pet fee, is the responsibility of the dog owner. If there is no dog friendly accommodation available, regrettably, your dog will not be able to accompany you on property.
- Service Dogs:
 - Documented Service Dogs, which are trained to perform specific tasks, are not subject to the dog-friendly accommodation requirement.
 - Twin Farms requires pre-notification at time of room reservation
 - Daily pet fee waived
