

## RESERVE WINE LIST

Michael Beardsley, General Manager, and the entire dining and culinary team at Twin Farms take great pleasure in providing our guests with an extraordinary and memorable dining experience. Daily our beverage team selects several distinctive wines from our 17,000-bottle collection to pair with lunch and dinner.

Our cellar ranges from well-known domestic, French, and Italian estates to nouveau vintners from across the globe. Wines are carefully married to the meals specially created for you by Chef Nathan Rich and his team. We are delighted to introduce your palate to remarkable new flavors as well as reunite you with some long-standing favorites during your stay.

In addition to our exceptional inclusive wine program, we are very fortunate to offer this Reserve Wine List, a selection of world-renowned premium wines.

Whether celebrating a special occasion or simply choosing to treat yourself to a rare vintage, we invite you to select from the following list. We are also happy to Coravin bottles over the course of your stay, for optimum drinking quality over several nights.

As our Reserve Wines are stored in our climate-controlled cellar, we do recommend advance notice so that we may ensure a proper serving temperature and decanting time. While we strive to keep the list as accurate as possible, wines and vintages are subject to availability.

To arrange to enjoy a selection from this list; or to answer any of your dining questions, please phone the Dining Room at extension 180.

Petrus is one of the most iconic wines of Bordeaux, produced in Pomerol. Its vineyard - 11.3 ha - lies on a gently sloping hill, at the highest point of the Pomerol Appellation. Often referred to as the "buttonhole of clay", it is a unique terroir. The history of Petrus has been built on talented duos, who will pass on their values, their convictions, and their knowledge, with unfailing rigor in their quest for excellence. Jean Moueix is at the head of the estate, which his grandfather, Jean-Pierre Moueix, began to shape and promote before his uncle and his father, Christian and Jean-François took over. Olivier Berrouet has managed the cellars and the vineyard since 2008, replacing his father whose first vintage was in 1964.

We are proud to feature a dedicated selection of Petrus, sourced directly from the estate ("Ex-Cellar"). This exclusive offering reflects our commitment to exceptional provenance and the highest standards of wine service.

As part of his family's fourth generation of Napa Valley winemaking, Rob Mondavi, Jr. carefully maintains personally selected vineyards in Oakville and Stags Leap in order to better offer purpose and place to the bespoke bottlings of Rutledge & Vine. From unique oak regimens to cluster sorting at harvest, the small amounts produced are among the most expressive examples of where California wines are going while bearing an homage to how far they have come.
